

Maple Leaf Press World Archery/FITA Official Targets

world archery

FITA is now World Archery

Maple Leaf Press offers a complete line of 4 Color, 10-Ring FITA Official Indoor, Outdoor and 2 Color WA Field Targets. Each has the WA logo, is marked "Official WA Face" and produced by "WA Face Licensee #1." WA requires that all sanctioned competition use targets produced by WA licensed manufacturers, and Maple Leaf Press is the only licensed United States manufacturer of targets. Maple Leaf Press has been chosen for the Olympics, USA Archery National Target Championships, many USA Archery target trial game competitions, Canadian Championships, Pan Am Games, Junior World Championships, Australian and New Zealand Championships and many foreign tournaments. We are proud to be the first WA/FITA licensee as well as our continuing relationship with both WA and USA Archery.
